

2025 Aboriginal and Torres Strait Islander Scholarship Application

Applications are due to the Scholarship Assessment Committee by Friday 25 October 2024

The Aboriginal and Torres Strait Islander Scholarship will be awarded to Aboriginal and/or Torres Strait Islander students to undertake studies at Emmanuel Anglican College in Ballina. That have the potential and desire to contribute to the community in a positive way but without financial support would not be able to attend the College.

Applications for the Aboriginal and Torres Strait Islander Scholarship will be open to students:

- Studying in Year 7 to 12 in 2025;
- Enrolled or not yet enrolled at the College;
- Who are an Australian Aboriginal and/or Torres Strait Islander, and
- Can demonstrate financial hardship and the need for financial support.

The application process will require students to demonstrate commitment to, and enthusiasm for, the College's identity and purpose by requiring a personal statement detailing the student's commitment and involvement in their local community. It will include a request for detailed financial information that demonstrates a need for financial support.

The value of the scholarship will be equal to 100% remission of Tuition Fees for Year 7 to Year 12. Discounts on uniforms, camps and other levies and charges may be provided if the financial need for additional support can be demonstrated.

The scholarship is awarded to a deserving student on the basis of their involvement in the local community, the candidate's personal statement and demonstrated financial need. Scholarships are generally awarded to students with a positive attitude, leadership skills and a commendable application.

Responsibility for assessing applications, identifying successful recipients and determining the level of scholarship support to be provided rests with the Scholarship Assessment Committee.

Scholarship recipients will be reviewed during each year. The Scholarship recipient must actively participate in College life and co-curricular activities and represent the College with pride. The Scholarship recipient must continue to meet academic and behavioural expectation to continue to receive the scholarship.

The application process will require two (2) short letters of support from, for example a current school teacher, Minister of Religion, sports coach, cultural/performing/creative arts coach, community group or the like.

The College reserves the right not to award a scholarship in any particular year.

Submission of the Application (Part A and Part B) may be made through email to the Scholarship Assessment Committee principal@eac.nsw.edu.au or posted to 62 Horizon Drive, Ballina NSW 2478 or handed into the office, marked attention to The Principal.
