ABOUT THE EAC BUS SERVICE

Emmanuel Anglican College offers a bus service exclusively for students enrolled at the College.

The service is for **school transit only** and is not provided for transportation to extra curricular sporting events or other non school activities.

EAC buses are equipped with an electronic boarding system called RollCall designed to enhance the safety and efficiency of the service. Through the RollCall Parent App, parents can make bookings, view bus locations, receive alerts about trip variations or delays and pay for trips taken. This system enables real time tracking of our private buses by both the College and parents.

Demand for the College's bus service is high and the number of seats are limited. Preference is given to those students who require the service five days per week, to younger students and to those who book first. Provision of the bus service is reviewed periodically and outcomes of the review may result in changes to bus stops, schedules and availability.

BUS ROUTES

[Service 1 \(Hinterland\)](#)

This service commences in Byron Bay and travels through Newrybar, Cumbalum, Ballina Heights and North Ballina.

[Service 2 \(Coastal\)](#)

This service commences near Broken Head and travels through Suffolk Park, Lennox Head and The Coast Road (Angels Beach).

[Service 3 \(Bangalow\)](#)

This service commences at Clunes and stops at the Buttery and Bangalow before travelling directly to Emmanuel Anglican College.

TAP ON / TAP OFF – SAFETY REQUIREMENT

All students using the bus service are required to tap on when boarding and tap off when exiting the bus for every journey. Students use their College Student ID card to tap on and off each trip.

This process is a critical safety measure. If a student does not tap on or tap off, they cannot be reliably accounted for in the event of an emergency or incident. For this reason, use of the bus service is conditional upon correct tap on and tap off behaviour. We appreciate families reinforcing this expectation with their child.

Students are expected to have their card readily accessible so they can tap promptly when boarding and alighting, reducing delays for all passengers.

HOW TO MAKE A BOOKING

[Permanent Booking](#)

A permanent booking can be made through the RollCall App during the booking window. The booking window for Term 1 of each year will be communicated via email to all parents. Terms 2, 3 and 4 will open from the last week of the previous term for three weeks.

Trips booked after the window closes will be treated as casual bookings.

Four weeks' written notice is required to amend a permanent booking and may be sent via email to enquiries@eac.nsw.edu.au.

Casual Booking

Casual bookings for an existing traveler can be actioned through the RollCall App. Changes to casual bookings and bookings for new travelers can be made by calling the College Reception on (02) 6681 5054 or emailing enquiries@eac.nsw.edu.au giving as much notice as possible.

Casual bookings may be made if seats are available and are processed on a first come, first served basis.

HOW TO MAKE PAYMENTS

Payment for bus trips must be made in advance through the RollCall App using the RollCall Pay secure wallet system. To ensure continued access to the EAC bus service, the wallet must be kept topped up with funds.

Fees are charged on a per trip basis, each way.
